LEGISLATIVE SERVICE PROJECT

The deadline to donate to our legislative service project is Wednesday! We are grateful for the donations we have already received and are excited to deliver them to classrooms later this week.

Please consider donating to this great cause. You can donate by clicking [here](#).

NEW LEGISLATOR HIGHLIGHT - MATTHEW GWYNN

Matt was born in Ogden and raised in Roy. After graduation and "having reality set in," he decided to join the US Marine Corps. After 4 years in the USMC, he reenlisted in the Air Force Reserves and was deployed after 9/11, finally receiving his honorable discharge in 2004.

Matt earned his degree from Weber State University in Political Science where he now teaches as an Adjunct Professor. His full-time work is for the Roy City Police as a Patrol Sergeant and the Public Information Officer for the department. In his free time, he enjoys building and flying radio-controlled airplanes, being outdoors, and participating in his kids' sports.

COVID-19 VACCINE

Last week, the UK began administering the COVID-19 vaccine. We are currently waiting on approval from the FDA and expect to receive that in coming weeks. As of right now, Utah plans to distribute our first round of vaccines to frontline healthcare workers. For information on the current timeline, distribution plans, and more, click [here](#).

Additionally, the House has worked hard to prioritize teachers into the first rollout of vaccines, as we believe it is crucial to keep teachers and students in the classroom.

HOLIDAY TIPS

We wish you all a happy and healthy holiday season! Please review [these](#) tips and guidelines as you plan holiday gatherings and activities.
